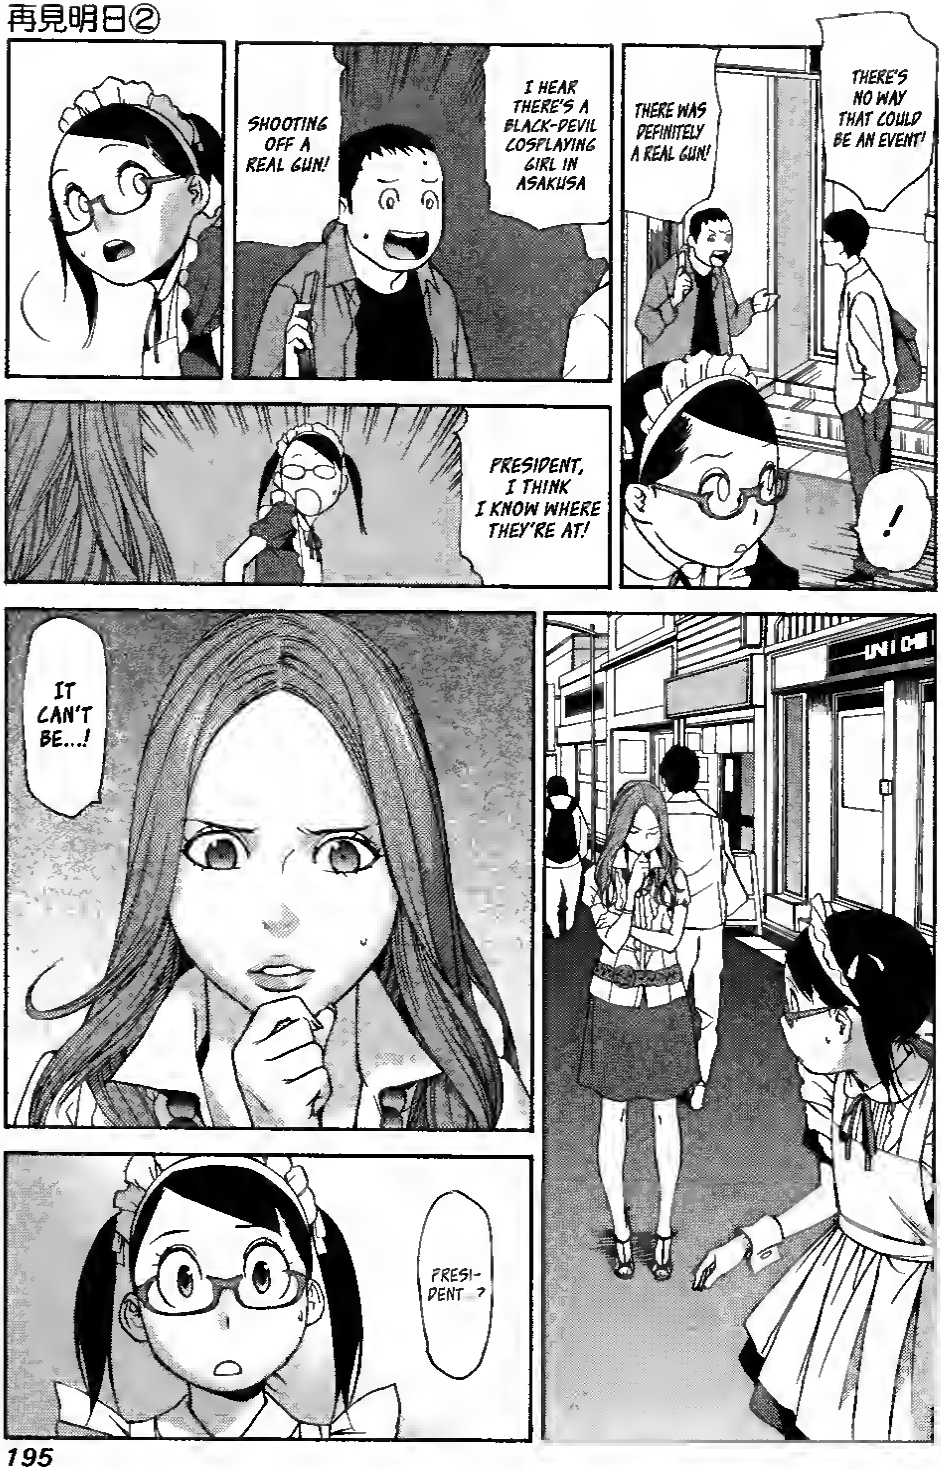
HER FACE LOOKED LIKE ASHITA-CHAN'S TOO?
SHE BECAME HUMAN-SIZED AND FLEW OFF?
THAT WAS A DEMON!
SHE SAID SHE WAS GOING TO ERASE KYOUICHI-SAN AND FLEW OFF!

I CREATED A DEMON BECAUSE I WAS TOO OVERJOYED THINKING ABOUT ASHITA-SAN.
IF SOMETHING HAPPENED TO HER, WHAT THE HECK SHOULD I DO!?
I knew something like this would happen, but...
In addition to that, it seems this type is aware of its own existence!
To think another person's image besides Kyouichi's would materialize as well.
Could it have gotten upgraded?
But why are they only materializing as the younger me?
Was I the type to stimulate a person's inner desire back then...?
THE WORLD WILL BOW DOWN BEFORE ME!!



SHOOTING OFF A REAL GUN!
I HEAR THERE'S A BLACK-DEVIL COSPLAYING GIRL IN ASAKUSA
THERE WAS DEFINITELY A REAL GUN!
